

LIBRARY DISPLAYS POLICY

The Melrose Public Library (Melrose, Massachusetts) creates library displays for public browsing comprising the informational, cultural or recreational holdings of the Library's collections and formats, all of which have been purchased under the aegis of the Trustee-approved Collection Development Policy.

New acquisitions will be displayed as a matter of course, as well as titles and media which reflect the ever-changing demographics and diversity of the community of Melrose.

"Staff Recommends" titles are curated, rotating titles which reflect the personal taste and reading preferences of various individual staff members.

The display or dissemination of materials in Library Displays does not constitute City support, sponsorship or endorsement, nor does the absence of titles reflect non-support.
